

FIRVENA

ENOCEAN GATEWAYS

highly intuitive
incredibly simple
for control systems
produced in Europe
EMC also for industrial use
good solution for building automation

BACnet IP

BACnet MS/TP

RS 232, 485 Modbus RTU

Modbus TCP/IP

VERIFIED COMPATIBILITY

environmentally protective

wireless

battery-free

energy harvesting

ENERGY

current monitoring sensors
pulse counters
dry contact sensors

OCCUPANCY

desk occupancy sensors
table occupancy sensors
room occupancy sensors

ENVIRONMENT

indoor air quality sensor
room conditions sensors
CO₂, temperature and humidity sensors
temperature and humidity sensors
temperature sensors
door and window sensors
industrial temperature sensors
